Friday 20th January 2023

Dear Cuddington Parents and Families,

A week full of snow and blue skies this week and with that comes happy, smiling children (until the cold becomes too much for fingers and toes)! Slippers have been a welcome treat when coming back inside to warm our feet and keep our carpets and other flooring much cleaner 😊

This week, our children have been learning about 'Resilience,' in Personal Development and the importance of 'trying our best,' 'working hard not to give up' and thinking about how we can solve problems before asking for help. I am hoping that you can talk to your children about this and share with them times when you are having to be resilient too.

During week beginning 13th February, our class teachers will meet with parents of children with a special educational need – if this is you, please look out for the email coming your way on Monday to book an appointment.

Sporting Celebrations

Once again, Cuddington have excelled in Sport. Our Year 4 children have represented us in mini Netball games at Weaverham High School, where not only did we win all our games, but we were recognised for a 'Spirit of the Games' ward. Our Year 5 and Year 6 girls represented us in the Girls Football Finals – this is where we saw resilience – determined to keep going in the face of adversity. Our Year 5 and Year 6 athletics team competed against local schools on Monday and finished a respectable 1st place to take us through to the finals. Huge thanks must go to Mrs Austin for organising all of these competitions and to all of our parents who have helped us with transport. Transport costs have more than doubled over the past few months and without parental support, our children would not be able to attend any of these events.

Create Learning Trust work

This week, colleagues from our 3 trust schools have come together again for Part 2 of their First Aid training. Thank you to Amy Monksmith from 'So Coach,' for delivering high quality training. Also, this week, early years (Reception) teachers from across the trust have worked together to secure Guiding Principles for a high quality Early Years provision. It was a privilege to engage in such positive professional dialogue and see first hand the knowledge, enthusiasm and commitment all our Early Years professionals have.

PE Kits

We have had more children than usual forgetting their PE kits this week – so this is a polite reminder to parents to ensure their child has their PE kit in school. Please send it in with your child each **Monday** then it can be taken home each **Friday** to wash.

Have a happy weekend when it arrives,

Kind regards,

Mrs S Mills

Head Teacher
