**Friday 3<sup>rd</sup> November 2023**

---

Dear Cuddington Families,

I can hardly believe we have now stepped into November and have arrived at one of the biggest fundraisers of our year – Cuddington Fireworks! I am really looking forward to seeing so many of you there tonight as I love the community feel of bringing all of us together. Our PTA and Mr Bryan have worked incredibly hard behind the scenes to make sure the grounds have been set up carefully, refreshments are sorted and tickets have been sold. If you haven't bought your tickets yet – don't worry you can still purchase them online (<https://cuddington-primary-school-pta.sumupstore.com>) or turn up at 5.30pm and pay on the gate!

Next week we have our Autumn Term parents' evenings where you will come along to meet with your child's class teacher and find out how they are settling into their new year group and how well they are working in lessons – it will be an opportunity to ask any questions, raise any concerns and thank our staff for all that they do! We have just a few families who haven't yet made an appointment – there is still time though!

Next Friday (10<sup>th</sup> November) we have arranged for individual and sibling portrait photographs to be taken by Tempest. An email has been sent out this week (2<sup>nd</sup> November) which includes details of the arrangements for pre-school sibling photographs.

Our Y6 Head Pupils will be selling poppies for a donation to the Royal British Legion to all classes from Monday. Please see the separate email which was sent on 2<sup>nd</sup> November with the details of the items available and the suggested donation.

Today, we have had our whole school 'bulb planting' day where each child has planted bulbs ready for next Spring. Thank you to Mrs Hall (and Mr Bryan) for organising this. We can't wait to see 200 flowers at the front of school next year – they were certainly well watered yesterday!

Have a super weekend when it arrives,

Kind regards,

Sue Mills 😊
