Friday 21st June 2024

Dear Cuddington Families,

Science and ECO week 17th June – 21st June

Here are just a few of the photos from our week of Science Learning with ECO learning too = all working towards another ECO Green Flag award! Please join me in thanking Miss Cowie for organising the week for each of our classes and to Mrs Hall for ensuring there was a focus on work towards our Green Flag award.

Cuddington and Sandiway Gala

Thank you to all staff and families who supported our school to raise money for our children. We raised a whopping £1,800 on the day with more due in from the bar and bouncy castle profits – how AMAZING is that?! The biggest of thanks must go to Carolyn and Kathryn from the PTA who organised the whole day and ensured everything went so smoothly – Team Cuddington at its best 😊

More Sporting Achievements

Our Year 5 and 6 Cricketers won the Weaverham Cluster competition at Weaverham Cricket Club and have progressed to the Northwich finals on Tuesday – Good Luck to our 8 cricketers and let's hope they bring back another win!

Mr Colclough organised a Handball competition for our Trust Schools. Cuddington won this competition leaving just a rounders competition left. Good luck to our rounders team too!

Next week sees all children in Years 2 – 5 taking end of year assessments in Reading and Maths. We had already moved the assessments to accommodate children being on holiday, but I can see that there will be several children away on holiday over the next 2 weeks too, which will mean we won't have end of year assessment outcomes to share with our parents for some of our children – this is such a shame especially as each child has worked incredibly hard to be the best versions of themselves.

Special Education Needs (SEN) – Jargon Buster Tool

We are very aware that Special Educational Needs is often flooded with acronyms and jargon and these often appear on paperwork or reports that you may receive. We have therefore put together a 'most common' list to help explain them, and this can be found on the School's website under the 'Our School' Section. Should you have any concerns or questions please contact Mrs Ducker.

Staff News

As you all know, we are sadly saying goodbye to Danielle Clarke at the end of the terms as she retires from her work at Cuddington. This week, we have appointed a new part time admin officer; Mrs Kate Jones. She will work alongside Heather Clarke from September. I am sure you will all give her the warmest of welcomes as she becomes the newest member of 'Team Cuddington.'

Talking of new Team Cuddington members – we have welcomed our new to Reception children in school this week for their first sing and play sessions. This is such an exciting part of the school year with our Year 5 children desperate to meet who could be their buddy when they start Year 6!

I can see that there is plenty of sunshine forecast for the weekend, so enjoy it and we will look forward to seeing you all on Monday.

Kind regards,

Sue Mills

(Head Teacher)
