Re. Quick Bulletin (including Spring Parent Evening dates)

Dear families,

Children have had a wonderful start to their learning this term, routines are well established and children are ready to learn. I have been enjoying getting to know the children, and hearing their views. Spending time with our Road Safety Officers this morning has reinforced how passionate and responsible the pupil citizens at Cuddington are!

Family Survey - Thank you to those of you who have shared their views on the family survey so far. Please be aware that we have extended the timeframe for responses to the end of this week, so please access the quick link below to let your voice be heard. It should only take 5 minutes. <https://shorturl.at/ernGy>

School Development - All schools identify priorities for the year ahead, to make sure that everyone is focused on a continuous journey to being the 'best we can be'. For 2025, please see our focus priorities where we will be looking to have an impact across the school. We will keep you posted on the development against these areas.

Focused Area for Improvement	Key Improvement Priority
Quality of education	To improve Writing attainment in order to close the reading and writing attainment gap To improve 'Greater Depth' achievement in Maths by the end of Year 6
Behaviour and attitudes	To have an improved impact on the attendance of our Pupil Premium children across the school to improve some pupils' persistent absenteeism
Personal development	To develop whole school metacognition and self-regulated learning strategies (through Zones of Regulation/ Behaviour for Learning Curriculum). To continue to develop a Mental Health and well-being offer as part of the whole school hidden curriculum.
Leadership and management	Leaders to ensure that teachers use assessment strategies well in non-core subjects, identify misconceptions and work to fill knowledge-based gaps
Effectiveness of the early years provision	To re shape the EYFS curriculum so there are deliberate opportunities to support communication and language and purposeful ways to improve the children's executive function

Dates for Spring Term Parent/Teacher Meetings

These will be held on Tuesday 11th March and Thursday 13th March from 3.30pm-6.30pm. Appointments will be available on School Spider and we will communicate when the 'go live' date and time is for booking.

With best wishes,

Mrs Beth Hacking - **Headteacher**
