

Harambee Times

Issue 2

April 2019

Contributers:

All the children and teachers at Cuddington Primary School send their love and wish you all a very

Happy Easter.

Cuddington Primary School

and

Hartford Manor County Primary school

Agandi to all of our friends at Nyakabungo Primary School. We have enjoyed looking at the photos of your new hall and hope that it will be ready soon. The new toilets look good too.

We thought you might like to know about some of the things that different classes have been doing this term.

Our Reception children have been busy practicing their skills on the new balance bikes.

What is the Harambee /

Cheshire Uganda partnership?

This is the name we have given to our partnership between Chifcod schools in Uganda and some schools in Cheshire, UK.

We understand that Harambee means to get things done so our partnership allows us to work together to achieve great things for schools in Uganda and schools in UK.

Year 1 and Year 2 enjoyed learning about their senses in Science.

They had to guess what was in the bag by touching it. No peeping allowed!

Year 2 loved their first residential trip, two days and one night away from home. They did lots of 'big' art and created a dance about Alice in Wonderland.

Year 2 have also been learning to play the recorder, just as you did last August.

Year 3 have been learning about ancient Egypt. They are making salt dough so that they can create their own amulets.

The firemen came to visit Year 5 to teach them about fire safety and how to stay safe in a fire. They are in a special smoke tent which lets them experience what it might be like in a real fire.

Year 6, the oldest children in school, are at the High School competing in a dodge ball competition.

Hartford Manor Primary School and Nursery

The Spring Term is always exciting at Hartford Manor because of our residential visits.

Our Year 2 children (aged 6 and 7) visited Tattenhall, Cheshire, in February, where they enjoyed walking, pond dipping, a mini-beast hunt and outside art and craft activities.

Our Year 5 children (aged 9 and 10) have just returned from a 3 day visit to The Lake District National Park, which is approximately 100 miles away from school. The children enjoyed canoeing, climbing, archery, fell walking, orienteering and a range of challenging activities within a forest setting.

A wonderful time was had by all of the children.

WORLD BOOK DAY

We love reading at Hartford Manor, and World Book Day is always an important, fun-filled day in our calendar. We dressed up as our favourite book characters and looked amazing. This year the whole school did some work around the wonderful Book 'Under the Same Sky' by Britta Teckentrup.
